

Social Care Nursing Advisory Council (SCNAC) Co-Chair WhatsApp Group Objectives

- Speak and maintain professionalism, respect and courtesy to one another and our peers that may not be part of this group. Be mindful of using professional language.
- Any feedback should be constructive and respectful.
- This group provides a safe space to ask questions, seek clarity, share information relevant to the roles of Co-Chairs and reflect on the work of the councils. To have a solution focused approach to any challenges that may arise.
- Share only work-related information. Use direct messaging for personal messages.
- Do not forward group discussions or private messages without consent.
- Only current Co-chairs to be members, if no longer in this role you will be removed from this group.
- Respect decisions made by group admins. If admins give directions or advice, follow them promptly.
- Any disrespectful comments will be challenged and if appropriate alternative solutions suggested.
- Report any inappropriate behaviour to group admins instead of escalating issues within the group.
